

COMPENSATION SCHEDULE

What you earn, mapped out clearly.

Compensation is calculated on **enrolled debt** and paid out **in full** once the client completes their **second monthly payment**.

● EXAMPLE SCENARIO

\$100,000 of enrolled debt

Every figure below reflects this example.

Position Tiers

POSITION	RATE	PAYOUT
FA	1.78%	\$1,780
SFA	1.96%	\$1,960
SM	2.22%	\$2,220
ED+	2.67%	\$2,670

Generation Overrides

GENERATION	RATE	PAYOUT
